FRC Sensor CAN · Rev H SC12 · TOP copper

Viewed from top; exported copper and drills, without solder mask

Nominal manufacturing geometry only. Compare to native KiCad, assembly and fabrication files.

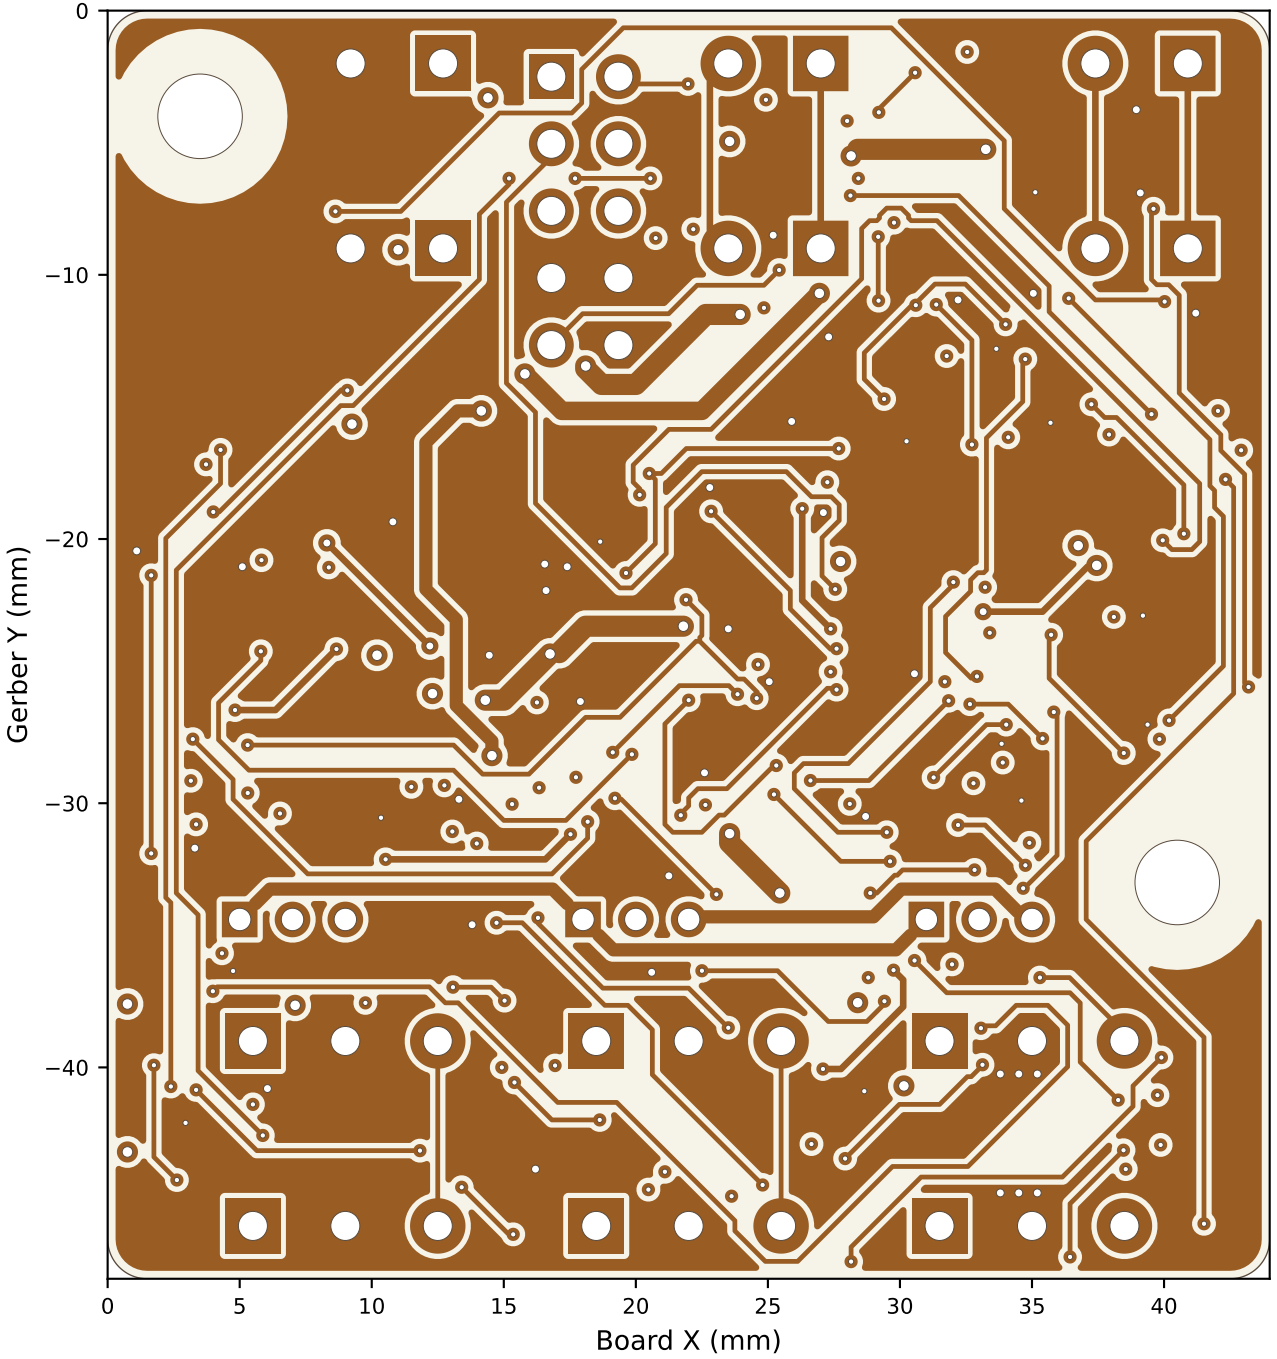

FRC Sensor CAN · Rev H SC12 · INNER 1 copper

Nominal manufacturing geometry only. Compare to native KiCad, assembly and fabrication files.

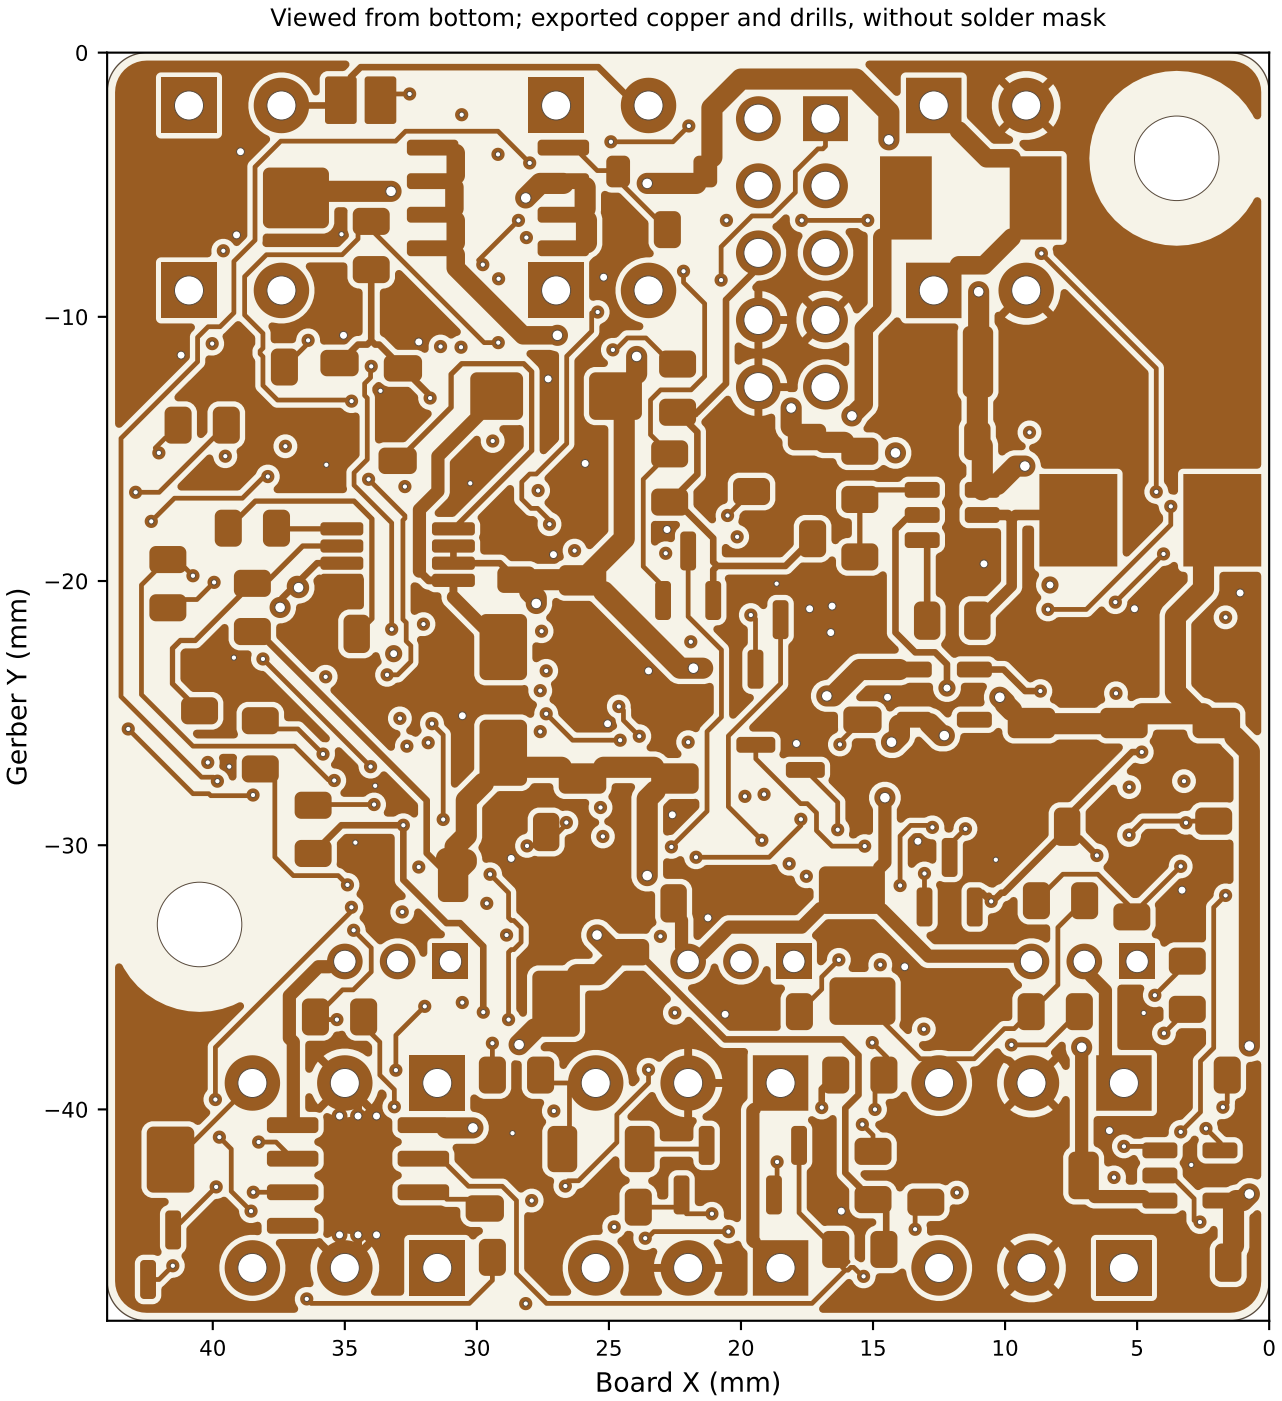

FRC Sensor CAN · Rev H SC12 · INNER 2 copper

Viewed from top; exported copper and drills, without solder mask

Nominal manufacturing geometry only. Compare to native KiCad, assembly and fabrication files.

FRC Sensor CAN · Rev H SC12 · BOTTOM copper

Nominal manufacturing geometry only. Compare to native KiCad, assembly and fabrication files.
